Our strong partnership with Michigan Medicine and our involvement with various professional organizations, like the Association of Healthcare Internal Auditors (AHIA), allow us to stay current with U-M strategic initiatives and changes in the healthcare industry. Our team works together to effectively assess risk exposure and provide valuable input to leadership. Audit recommendations resulting from healthcare engagements highlight areas where improvement is needed to ensure compliance with laws and regulations, university policies and procedures, and Michigan Medicine requirements.

**Recent Audits**
- Home Care Post-Acute Care Services - Remote Patient Monitoring at Home
- UMH-West Charge Capture
- Pavilion Construction Management (consultant assistance)
- Human Resources - Central Function
